Description:

In this Portrait Sculpting Workshop you will be working from a live model, learning an approach that will lead you to a solid start every time as well as presented with the techniques to achieve the accuracy and naturalism you've been striving for. Karen will be introducing "The Speed in Which Form Turns" as well as "Triangulation" techniques.

Karen will be explaining specific Sculpting Methods that will increase your accuracy, anatomy, process and modeling techniques with a naturalistic approach reminiscent of The Old Masters. All levels of Experience Welcome!
